## Hours of Operation

EFILive Support - 2021-10-26 - Comments (0) - Getting Started

EFILive's sales and support office is generally open between the hours of 09:00 to 16:00 Monday to Friday, New Zealand local time.

[New Zealand local time](#) is displayed on the EFILive website. Remember, New Zealand is almost a full day ahead of the United States, so Friday and Saturday in the US are actually Saturday and Sunday in New Zealand.
