V3 Software

EFILive Support - 2020-11-12 - AutoCal V3 Hardware Configuration

FlashScan V3 and **AutoCal V3** devices are **only** compatible with **EFILive V8.3** software.

V3 devices are not compatible with EFILive V8.2 software or V7.5 software.

Please download and install the latest V8.3 software release here

<https://www.efilive.com/download-efilive>

Once installed please be sure to update your firmware and bootblock using the

[FlashScan/AutoCal V3 Firmware](#) instructions.
